

APPLICATION FOR INDIVIDUALIZED MAJOR

A student can customize a major course of study based on individual academic interests and professional objectives. Applications for an individualized major must be submitted to the Curriculum Committee for approval by the end of the sophomore year, or by the end of the first semester after transfer.

Students interested in an individualized major must obtain approval from their faculty advisor and two other sponsoring faculty members. The major will be given a title and must meet the minimum standards for majors established in the College Catalog.

Students designing an Individualized Major should also submit an Application for Degree.
